@bodyworkclasses: @LauraAllenMT Your facebook page is a favorite of mine to read, FYI. Glad to see you here. **#messagechat**

July 25, 2011, 2:34 am

@kelliawise: @michaelreynolds @bluestreakblog And what they end up with is a job where they are the boss. **#messagechat**

July 25, 2011, 2:34 am

@LisaGillispie: would you distinguish between self-employed vs. entrepreneur? **#massagechat**

July 25, 2011, 2:35 am

@kelliwise: I found that 2/3 of students in school ignored biz classes. "I'm going to work for someone else." **#massagechat**

July 25, 2011, 2:35 am

@bluestreakblog: @michaelreynolds But the bulk (I see) start up slow, as side job. Then go out on own when they have the clientele to do so. **#massagechat**

July 25, 2011, 2:35 am

@michaelreynolds: @LisaGillispie Not really. I'm just classifying someone who owns their business as an entrepreneur. **#massagechat**

July 25, 2011, 2:35 am

@bluestreakblog: @LisaGillispie I would. One can be both, but not all are. Or maybe I'm totally off. **#massagechat**

July 25, 2011, 2:35 am

@thebodyworker: @LisaGillispie you have to be both or you are both **#massagechat**

July 25, 2011, 2:36 am

@LauraAllenMT: Thanks all. Short answer was unprepared for business...just hear they're going to get out & make big bucks need reality checkn **#massagechat**

July 25, 2011, 2:36 am

@bodyworkclasses: @kelliwise Constant argument I have...I tell them the NEED to understand, as an employer, employee or solo prac. **#massagechat**

July 25, 2011, 2:36 am

@kelliwise: @LisaGillispie Yes. Self-employed = have a job. Entrepreneur = have a company. See E-Myth for the difference. **#massagechat**

July 25, 2011, 2:36 am

@michaelreynolds: @bluestreakblog True... but they are still (to me) entrepreneurs. This is a skill that I think should be taught. **#massagechat**

July 25, 2011, 2:36 am

@bodyworkclasses: @kelliwise Love e-myth **#massagechat**

July 25, 2011, 2:36 am

@LauraAllenMT: Even if they work for someone else, they need to know basics and they often don'tn **#massagechat**

July 25, 2011, 2:37 am

@michaelreynolds: @kelliwise Well, now you're waxing all philosophical :) **#massagechat**

July 25, 2011, 2:37 am

@kelliawise: **@michaelreynolds** Someone has to. **#massagechat**

July 25, 2011, 2:37 am

@michaelreynolds: So why are so many massage schools lacking in this type of business education? **#massagechat**

July 25, 2011, 2:38 am

@kelliawise: How many of you run a clinic? **#massagechat**

July 25, 2011, 2:38 am

@thebodyworker: **@michaelreynolds** because massage school only teaches you how to massage **#massagechat**

July 25, 2011, 2:38 am

@bluestreakblog: **@michaelreynolds** Handcuffed by regualtions of what MUST be taught vs the time they have to actually teach.
#massagechat

July 25, 2011, 2:38 am

@bodyworkclasses: **@michaelreynolds** They are owned by LMPs who know massage, not biz. At least in my experience. **#massagechat**

July 25, 2011, 2:38 am

@kelliawise: **@michaelreynolds** You have 500 hundred hour curriculum and most of it is massage, Kinese, and Anatomy. Biz is
afterthought. **#massagechat**

July 25, 2011, 2:38 am

@LisaGillispie: **@michaelreynolds** because a lot of people get all squirmy re: biz vs. healing **#massagechat**

July 25, 2011, 2:39 am

@QMassageSchool: **@michaelreynolds** The school I attended had a 40 hour business program. We did a business plan...and a vision
board. That's it **#massagechat**

July 25, 2011, 2:39 am

@LauraAllenMT: Usually board rules only require a few hours of business and hardly anyone goes beyond what's requiredn

@bodyworkclasses: **@kelliawise** A school clinic, yes. **#massagechat**

July 25, 2011, 2:39 am

@michaelreynolds: @bodyworkclasses That would also be my guess. **#massagechat**

July 25, 2011, 2:39 am

July 25, 2011, 2:39 am

@michaelreynolds: Now I really need an ice cream sandwich. **#massagechat**

July 25, 2011, 2:39 am

July 25, 2011, 2:40 am

@bodyworkclasses: @LauraAllenMT I added a BUNCH of biz to my school for that reason....too little is required **#massagechat**

July 25, 2011, 2:40 am

@kelliawise: @aliciadmassage Howdy! Where do you practice? **#massagechat**

July 25, 2011, 2:40 am

@LauraAllenMT: in NC only 15 hours of business required **#massagechat**

July 25, 2011, 2:40 am

@stephslash: @kelliawise @stephslash Figured out how many people I was turning away and decided to "jump". I'm entirely crazy. **#massagechat**

July 25, 2011, 2:41 am

@QMassageSchool: Each state is different in the # of hours required in business. My school has a 72 hour business curriculum & is experiential **#massagechat**

July 25, 2011, 2:41 am

@bodyworkclasses: @LauraAllenMT We have 50 but I upped my program to 90 **#massagechat**

@LisaGillispie: @LauraAllenMT wow! that's crazy.... **#massagechat**

July 25, 2011, 2:41 am

July 25, 2011, 2:42 am
